

Feng Shui In Motion

Professional Feng Shui Services

Let's face it...
Who isn't looking for a new approach to give them a leg up when buying and selling real estate in today's market?

Now is the perfect time to bring the principles of Feng Shui into your process.

Feng Shui is particularly useful for locating the optimal placement of key rooms such as the bedroom, kitchen, and office in order to positively support different areas of your life.

Residential Consultation

BaZi (Four Pillars of Destiny)
Uncover the details about your Destiny and help make informed choices about your life path. It's awesome!

**Call today for your
Consultation Appointment!**
Keep the good energy flowing!

Feng Shui Consultant

Jillian starts with the year the property was built, completes a space analysis, and looks at the floor plan to build an initial map of where the energy sits in the property. She conducts a consultation with you about the property to show you how to enhance the positive energy and cure the negative energies.

Jillian Rothschild-Scholar
